What people are saying...
What a relief to come across a program that preserves the dignity of the child, maintains the self control of both the parent and the child and is actually easy to remember when memory is the first thing to go!
I realised quickly that 1-2-3 Magic can be a magnificent preventative measure that any parent can use to avoid raising a child who later down the line, needs excessive discipline or grows out of control

Who is running it?
The presenters for this course are Amanda Ericson and Cheryl Pankratz who are Behaviour Consultants with Education Queensland. Amanda and Cheryl have delivered parenting training courses at various schools and venues over the past 5 years.
